

- ☐ You can find Acorn on any MLTI Machine.
We ask that your image be sized to: 1152 x 870 pixels with a resolution of 72 pixels/inch.

Steps:

Open your image in Acorn to resize it.

Under Image choose Resize Image. If your image is the correct size, hit cancel.
If your image needs adjusting, make the correct adjustments and hit OK.

- ☐ Then set the size.
